

Sixth Form Entry Criteria 2021

It is expected that students embarking upon level 3 courses will have achieved the minimum entry criteria of at least 5 grade 4s at GCSE.

Previous experience makes it clear that this is the minimum requirement for success at A level. In addition, individual subjects may have additional requirements as listed below.

It is the expectation that where a student has studied a subject at GCSE they will have obtained at least a grade 4.

NB students must not have had any exclusions in Year 11 and must have 90% attendance overall unless there is a serious illness that has prevented them attending.

Maths, Chemistry, Biology, Physics,	6+
English language, English literature, History, Geography, Art	5+
Business, Computer Science	5 in English Language and Maths
Sociology, Ethics and Philosophy	5+ in English language
Media Studies, Health and Social Care	4 in English Language
Sport OCR Level 3	4 in Science and English language
ICT Level 3	4 in English and Maths
Photography	5 grade 4s
PEA Level	5+ Proficient in Sport
Core Maths	4 or above in Maths

English/Maths GCSE

All students who have not achieved grade 4 will be required to resit Maths/English Language.

Exceptional circumstances

In exceptional circumstances, such as where illness has affected GCSE performance, we may agree to waive the entry requirements for one or more subjects. This will be by individual negotiation with students and parents.
